Issue 6 • December 2014

ROTARY DISTRICT 6950 • ZONE 34 • FLORIDA • USA

December is officially Rotary Family Month; Time to relax, party hardy, and bring your family closer to the family of Rotary.

However, every month should be family month! Remember how Paul Harris formed the first Rotary club with a sense of family and community that became the foundation of Rotary. The Rotary organization has become a "world family" with people from all walks of life across the entire planet.

Past RI President John Kenny says it best when addressing the family of Rotary—

"The idea of the family of Rotary is a simple one, and one that we celebrate every December during Family Month. Every Rotarian is part of the Rotary family – but our family is much larger than just our 1.2 million members. The family of Rotary includes every one of the men, women, and children who are involved in our work: the spouses and children of our members, our Rotary Foundation program participants and alumni, and all of those who are part of our programs, in the tens of thousands of Rotary communities around the world."

During this special time of year, we all need to keep our families in mind and celebrate by including them in our Rotary activities. Certainly, most of us recognize the wonderful opportunities to include our families in our

Rotary activities, holiday events and in our Christmas celebrations that occur this time of year.

We all know in Rotary we can do more together than we can alone. We need to guarantee that Rotary keeps growing, in all the branches of our family. By part-

nering with others throughout the world, we not only can achieve more than we set out to do, but we also can grow our Rotary family.

Let us also remember the needy and disadvantaged, the purpose for which we all joined Rotary, 'Service Above Self'.

As for the District, we are thankful for the service each of you provide as Rotarians and appreciate the fellowship created by the activities in which you participate.

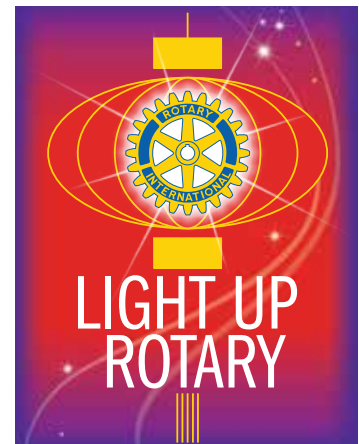

Please do continue your efforts in the advancement of our Rotary ideals.

In a final note I wish you the Happiest of Holidays, the Safest of Seasons and as it's been said in the lyrics of "The Christmas Song". "And so I'm offering this simple phrase - To kids from one to ninety-two - Although it's been said

Many times many ways - Merry Christmas and Happy Holidays to you".

Zephyrhills Daybreak Does it Big!

What a great meeting we had recently! Past District Governor, Russ Miller spoke about the Rotary Foundation from his heart. It was both inspiring and educational. PDG Russ has certainly "put his money where his mouth is" by having donated over \$250,000.00 to the Rotary Foundation. His presentation was one for the record books as they say.

While Russ was with us, he installed 3 new members, Troy, Katy, and Susan; reinstated Verona as an active member; presented a Paul Harris Society award to Jack; announced Jack has received the Citation for Meritorious Service from Rotary International; and presented Verona with a Paul Harris Foundation award....and that was all before 8:00 AM! What a great way to start a Wednesday!

The Gold Wrapping Paper

Once upon a time, there was a man who worked very hard just to keep food on the table for his family.

This particular year a few days before Christmas, he punished his little five-year-old daughter after learning that she had used up the family's only roll of expensive gold wrapping paper.

As money was tight, he became even more upset when on Christmas Eve he saw that the child had used all of the expensive gold paper to decorate one shoebox she had put under the Christmas tree. He also was concerned about where she had gotten money to buy what was in the shoebox.

Nevertheless, the next morning the little girl, filled with excitement, brought the gift box to her father and said, "This is for you, Daddy!"

As he opened the box, the father was embarrassed by his earlier overreaction, now regretting how he had punished her.

But when he opened the shoebox, he found it was empty and again his anger

flared. "Don't you know, young lady," he said harshly, "when you give someone a present, there's supposed to be something inside the package!"

The little girl looked up at him with sad tears rolling from her eyes and whispered: "Daddy, it's not empty. I blew kisses into it until it was all full."

The father was crushed. He fell on his knees and put his arms around his precious little girl. He begged her to forgive him for his unnecessary anger.

An accident took the life of the child only a short time later. It is told that the father kept this little gold box by his bed for all the years of his life. Whenever he was discouraged or faced difficult problems, he would open the box, take out an imaginary kiss, and remember the love of this beautiful child who had put it there.

In a very real sense, each of us has been given an invisible golden box filled with unconditional love and kisses from our children, family, friends and God. There is no more precious possession anyone could hold.

A Book for Every Child

The Gulf Beaches Rotary Club recently received over 4000 books from the Pinellas County School system. The books were delivered to Madeira Beach Middle School in large plastic bins, the Rotary Interact Club students sorted the books and repacked them into 90 cartons. Then, Rotary Interact students from St. Petersburg high school transported the books to Gator's Cafe on Johns pass for storage.

From there the books were distributed to many local organization including,

weeREAD Literacy Program, Guardian ad Litem, Florida Sheriffs Youth Ranch and the St Petersburg Rotary Midtown Club for distribution during the Martin Luther King parade. The coordinated effort of all these organizations will allow thousands of children in our community to own a book. The goal is to provide every child a book of their own.

CHRISTMAS STORY: FOR THE MAN WHO HATED CHRISTMAS

By Nancy W. Gavin

It's just a small, white envelope stuck among the branches of our Christmas tree. No name, no identification, no inscription. It has peeked through the branches of our tree for the past ten years.

It all began because my husband Mike hated Christmas. Oh, not the true meaning of Christmas, but the commercial aspects of it – overspending and the frantic running around at the last minute to get a tie for Uncle Harry and the dusting powder for Grandma – the gifts given in desperation because you couldn't think of anything else.

Knowing he felt this way, I decided one year to bypass the usual shirts, sweaters, ties and so forth. I reached for something special just for Mike. The in-

spiration came in an unusual way.

Our son Kevin, who was 12 that year, was on the wrestling team at the school he attended. Shortly before Christmas, there was a non-league match against a team sponsored by an inner-city church. These youngsters, dressed in sneakers

so ragged that shoestrings seemed to be the only thing holding them together, presented a sharp contrast to our boys in their spiffy blue and gold uniforms and sparkling new wrestling shoes.

As the match began, I was alarmed to see that the other team was wrestling without headgear, a kind of light helmet designed to protect a wrestler's ears. It was a luxury the ragtag team obviously could not afford.

Well, we ended up walloping them. We took every weight class. Mike, seat-

ed beside me, shook his head sadly, "I wish just one of them could have won," he said. "They have a lot of potential, but losing like this could take the heart right out of them." Mike loved kids – all kids. He so enjoyed coaching little league football, baseball and lacrosse. That's when the idea for his present came.

That afternoon, I went to a local sporting goods store and bought an assortment of wrestling headgear and shoes, and sent them anonymously to the inner-city church. On Christmas Eve, I placed a small, white envelope on the tree, the note inside telling Mike what I had done, and that this was his gift from me.

Mike's smile was the brightest thing about Christmas that year. And that same bright smile lit up succeeding years. For each Christmas, I followed the tradition – one year sending a group of mentally handicapped youngsters to a hockey game, another year a check to a pair of elderly brothers whose home had burned to the ground the week before Christmas, and on and on.

The white envelope became the highlight of our Christmas. It was always the last thing opened on Christmas morning, and our children – ignoring their new toys – would stand with wide-eyed anticipation as their dad lifted the envelope from the tree to reveal its contents. As the children grew, the toys gave way to more practical presents, but the small, white envelope never lost its allure.

The story doesn't end there. You see, we lost Mike last year due to dreaded cancer. When Christmas rolled around, I was still so wrapped in grief that I barely got the tree up. But Christmas Eve found me placing an envelope on the tree. And the next morning, I found it was magically joined by three more. Unbeknownst to the others, each of our three children had for the first time placed a white envelope on the tree for their dad. The tradition has grown and someday will expand even further with our grandchildren standing to take down that special envelope.

Mike's spirit, like the Christmas spirit will always be with us.

Sugarmill Woods Rotarians Chill in with John T. Capps At the Stone Crab Festival

It was "A Rotary Moment!" as Lynda Johnson, Janis Stacey, Barbara Reedy, Peggy Perkins and more Sugarmill Woods Rotary members put "service above self" volunteering at the Kings Bay Rotary's annual Stone Crab Jam at Gate 3 on a cold and blustery day! Sugarmill Woods Rotarian Lynda Johnson wrote me "Yes, John T.Capps was a real pleasure to meet and does have the Rotary insignia tattooed on his head!" John T. hails from North Carolina and has come to many District events in Florida. He loves to share his experiences as a Rotarian.

Crystal River. Caruso's theme was "how to engage someone in 15 seconds." He walked the walk and talked the talk by going around the room and speaking to attendees. He demonstrated how to remember a person's name. He promised that clubs could double their membership by following a few simple ideas. John T. who is bald with a Rotary logo on his head kept us laughing as he welcomed 20 new members into his bald-headed organization. Rotarian Capps loves Rotary and is a popular and welcome speaker everywhere. Governor Ted indicated that the number of attendees was close to 200 Rotarians. We chatted, laughed, and interacted with fellow Rotarians. All of us look forward to doing something like this again on another occasion.

Monday, November 3, Citrus County Rotarians and guests attended a dinner with speakers John T.Capps and Michael Angelo Caruso who enthralled a packed room at the Citrus Hills Golf and Country Club. This was the first large event sponsored by Rotary District Governor Edward Johnston, a resident of

Rotary Club of San Antonio becomes a Paul Harris Fellow Club

Members of the Rotary Club of San Antonio were presented with their Paul Harris Fellow Club Banner at their November 11 meeting. A club becomes a Paul Harris Fellow Club when 100% of the club members become Paul Harris Fellows. PDG David West presented the banner to President Susan Robinson and Past President Betty Burke, who was president on June 30, 2014, when the club reached this significant achievement. PDG Russ Miller spoke to the club about the Rotary Foundation, highlighting some of his experiences with Rotary Foundation grants.

Friends present to congratulate the club included PDG Gene Beil, Zephyrhills Daybreak Rotarians Mike Wootten and Jack Theis, Wesley Chapel Rotary President Kelly Mothershead, and Saint Leo University Rotaract President Angie Fortunak.

Dear District 6950,

Many things have been going on since my last update to you. I had the opportunity to attend the District 1020 conference at the end of October. It was located in Aviemore, which was about a four hour drive from Edinburgh. The scholars had to do a question and answer session as part of the conference. We also had black pudding and haggis! At the end of the District Governor's dinner, we had a ceilidh. Of course, no Rotarian would let me have a break and I danced the night away. The weekend was absolutely amazing, and I even had the opportunity to talk with a Holocaust survivor. The weekend was truly remarkable.

At the end of November, my undergraduate university made a trip to the United Kingdom. I got to spend some time with quite a few of my friends; it was really nice to see them. Other than that, I have been participating in quite a few activities with Rotarians. One Rotarian took me to a rugby game; it is a really intense game. I have also learned to play skittles. As usual, I have been visiting other clubs and participating in events when I am able to.

The semester is about to close, but I still have assignments due. I cannot believe how fast time is going by, and I am excited for the adventures I have planned for my Winter Break.

In the spirit of Thanksgiving, I am extremely thankful for District 6950, District 1020, and Rotary International this year! As always, follow my blog at www.living-the-edinburgh-dream.tumblr.com

Thank you, Rotary!

Cheers,

Ally Vincent
